Engaged by

Supporting documents

	<input type="checkbox"/> Construction log reports	<i>A day-by-day record of site activities, site conditions and other issues of note on the project e.g. 22 May 2017: Laid 12.5m 150mm dia. Wastewater pipe at 2.4% grade from MH1 to MH2. Rain most of the day. Difficulty in obtaining compaction in backfill</i>
	<input type="checkbox"/> Construction quality check-lists and test certificates	<i>Construction quality check-sheets and test results as required by Watercare construction standards which measure individual components of the project e.g soil compaction tests.</i>
Attach the following evidence to demonstrate construction compliance:	<input type="checkbox"/> Material test certificates	<i>List of materials used in construction, with manufacturer and/or model number for each item.</i>
	<input type="checkbox"/> Designer-specified test records	<i>Some construction projects will include additional testing requirements and specified by the designer that are over and above the minimum requirement set by Watercare. For many projects this will not apply.</i>
	<input type="checkbox"/> Commissioning reports	<i>Specific testing and reports that are completed as part of the liveing of a system which measure the function of the installation as a whole e.g. pressure testing of a complete wastewater line or functional performance of a pump station.</i>
	<input type="checkbox"/> As-built drawings	

Please tick to confirm all of the above are attached and list the document titles and versions below. Include other documents if needed.

Declaration

I declare that:

1. I have due authority from my company to provide this compliance statement.
2. The information in this statement is true and correct to the best of my knowledge.
3. The works have been completed in accordance with the approved design, Watercare engineering standards, standard and specific drawings and consents.
4. I understand that Watercare will rely on this statement to confirm compliance with the above requirements.
5. I understand that if I become aware of any change in circumstance or any reason why the information covered by this statement might not be correct in relation to the standards and legislation at the date of this certification, I must notify Watercare as soon as possible.
6. I understand that information provided by me on this form includes personal information covered by the Privacy Act 1993.
7. I authorise Watercare to collect, retain and use that personal information for the purpose of assessing my suitability as an author of compliance statements. I also authorise Watercare to collect, retain and use (for that same purpose) personal information about me from other sources available to Watercare including, but not limited to, the professional or trade organisations, referees and any other persons or companies with whom I am or have been associated. I understand that Watercare will handle such personal information in accordance with its Privacy Statement located at: www.watercare.co.nz/about-watercare/about-this-site/privacy-statement
