Site legal description* Not applicable

*Include the Lot number and DP number if available

Engaged by

Construction monitoring

Tick the construction monitoring level that was applied to the works

ACENZ level CM2 CM3 CM4 CM5

OR

Watercare risk-based method**

**Attach a monitoring schedule, showing individual component criticality rating and monitoring competence requirements.

Supporting documents

Attach the following evidence to support the design monitoring activities:

<input type="checkbox"/>	Construction monitoring daily log reports	<i>A day-by-day record of site observations e.g. 22 May 2017: contractor laid 12.5m 150mm dia. Rain most of the day. Difficulty in obtaining compaction in backfill. Instructed contractor to re-do anchor block reinforcing at location X due to not meeting design drawings</i>
<input type="checkbox"/>	Construction monitoring schedule	<i>The monitoring / inspection plan showing the timetable for monitoring activities</i>

Please tick to confirm all of the above are attached and list the document titles and versions below. Include other documents if needed.

Document name/number	Date	Version

Declaration

I declare that:

1. I have due authority from my company to provide this compliance statement.
2. The information in this statement is true and correct to the best of my knowledge.
3. The works have been monitored in accordance with the designer’s construction monitoring recommendation, or as otherwise approved by Watercare, the engineering approval and the relevant Watercare engineering standards, drawings and site-specific specifications.
4. I understand that Watercare will rely on this statement to confirm compliance of the construction monitoring work as above.
5. I understand that if I become aware of any change in circumstance or any reason why the information covered by this statement might not be correct in relation to the standards and legislation at the date of this certification, I must notify Watercare as soon as possible.
6. I understand that information provided by me on this form includes personal information covered by the Privacy Act 1993.
7. I authorise Watercare to collect, retain and use that personal information for the purpose of assessing my suitability as an author of compliance statements. I also authorise Watercare to collect, retain and use (for that same purpose) personal information about me from other sources available to Watercare including, but not limited to, the professional or trade organisations, referees and any other persons or companies with whom I am or have been associated. I understand that Watercare will handle such personal information in accordance with its Privacy Statement located at: www.watercare.co.nz/about-watercare/about-this-site/privacy-statement
